Message from Principal Matthew Arnold

Dear Green families,

These last few years have been difficult with a series of difficult events for all of us. Again, traumatic events have happened in our communities that have an impact on us and our students. Our hearts go out to the families and our colleagues of South Education Center in Richfield. We also send our condolences to those affected by the officer-involved shooting in Downtown Minneapolis last week.

We are happy to have our students back at school! Thank you for all your support during the change to temporary online learning. We are in Budget season as we get ready for next year. Our Site Council will have a meeting to give budget input on Tuesday, February 22nd at 5 pm. If you would like to be a part of Site Council, please get in touch with me. We also have a budget survey for you to provide input, please be on the lookout for that information to come. We're here to support you, please reach out!

Care for the Caregivers

With a grant from the Mpls. Health Department, we are initiating some activities to “care for the caregivers,” adults who care about kids! You! All the parents/guardians of students who are raising kids...and anyone else you can think of who may need a bit of inspiration and affirmation as they support children and youth.

We are inviting you to register for a weekly email (for six weeks) that will provide you links to live yoga instruction with Katie Fisher, recorded yoga instruction with Hannah Berg and “well-being tools” lessons from Jessica Finney. For free!

On the webpage, you will find a subscribe to Care for the Caregivers box. Just type in your preferred email address and click subscribe. You should get a confirmation email shortly to let you know you are set up. FYI, people can join the mailing list at any time throughout the six-week program. The emails will be sent on Monday mornings, starting on February 14th!

Care for the Caregivers

Weekly emails providing well-being tools specific to caregivers.

The Care for the Caregivers 6-week email package delivering well-being tools, a recorded yoga lesson, and a link to a live yoga class straight to your inbox. You can choose whatever is most helpful to you or partake in all three!
