

ESCUELA BILINGÜE GREEN CENTRAL

School Improvement Plan 2022-2023

Green Central examined our Spring 2022 data. As a collective community we identified current challenges, determined school improvement goals and aligned strategies to meet these needs.

Academic Goals:

Spanish Literacy:

The percentage of students who move up 1 or more level (for those that started at levels 1-3) or maintain or go up in their level (for those that started at levels 4 or 5) on iStation will increase from 23% (103/450) to 53% by Spring 2025

The percentage of students receiving Special Education services who move up 1 or more level (for those that started at levels 1-3) or maintain or go up in their level (for those that started at levels 4 or 5) on iStation will increase from 4% (2/45) to 34% by Spring 2025

The percentage of Hispanic students who move up 1 or more level (for those that started at levels 1-3) or maintain or go up in their level (for those that started at levels 4 or 5) on iStation will increase from 20% (61/311) to 50% by Spring 2025

Math:

The percentage of 4th and 5th grade students proficient in math as measured by MCA will increase from 27% (48/179) to 57% by Spring 2025

The percentage of 4th and 5th grade Hispanic students proficient in math as measured by MCA will increase from 13% (18/135) to 43% by Spring 2025

The percentage of 4th and 5th grade students receiving Special Education services proficient in math as measured by MCA will increase from 0% (0/23) to 20% by Spring 2025

Strategy: Developing stronger alignment in biliteracy strategies and language allocation across PK-5

Student Well-Being Goal:

The percentage of students consistently attending (90% of the school days) Green will increase from 70% (405/578) to 95% by Spring 2025.

The percentage of students receiving Special Education services consistently attending Green will increase from 62% (43/69) to 95% by Spring 2025.

Strategy: Teaching grade team will engage with family when there is an attendance concern and consistent attendance concerns will be followed up by the Attendance Team

Effective Staff Goal:

Increase the percentage of staff experiencing job satisfaction (overall and subgroup staff of color)

Strategies: Strong Teams, Communication, Support and Coaching and Staff Appreciation

School and District Climate Goal:

Increase Family Communication (came from families in our Parent Participatory Evaluation group 2021-2022 school year)

Strategies: Consistent Communication and varied methods of engagement
