## Principal's Corner

Message from Principal Matthew Arnold

Dear Green Families,

June is always a month filled with celebrations in schools. Here in Green, we are going to celebrate with our Kermés, the promotions of High Five, Kindergarten, and 5<sup>th</sup> grades, our EL students, and all the learning and progress that we have seen in your children. There is a lot to celebrate in our new community! Thanks to all of you for trusting us with the education of your children. This is a huge task, and we couldn't do it without the involvement of all of you!

Remember that the last day of school will be the 24<sup>th</sup> of June. Please communicate with Jessica and your child's teacher if they are going to miss any days.

Don't hesitate to contact us with any questions. We will see you soon at Green for our end of year celebrations!

### MPS Device Return

As we approach the end of the school year, **we need everyone's help** to ensure students' return all learning resources that have been issued to them during the school year. This includes ALL district technology (including iPads, Chromebooks, Mobile Hotspots, and their accompanying charging accessories), books and textbooks. **Students/families should return all resources to their school site on or before their last day of school, and/or no later than the end of the day June 24th, 2022.** If we do not receive learning resources back, the district may face challenges providing students and classrooms these critical resources in years to come.
