

Green Central's students of the month

## Our Vision

Creating tomorrow's community leaders by engaging the hearts and minds of our diverse learners

## Who We Are

### About Us

We are a Pre-K through 5<sup>th</sup> grade school serving 350 students in South Minneapolis. Throughout our building, we are proud of our hardworking, collaborative, and strong teacher teams; our high level of rigor both academically and behaviorally; and our emphasis on serving the whole child and the whole family.

*Great things are happening at Green!*

## Family and Community Engagement

- Monthly Family Engagement Activities
- Site Council
- Monthly Pastries with the Principal – an opportunity to speak with our administration in a casual setting
- Evening family learning and Community Education programs
- Group conferences- meetings with all of the families in your child’s classroom

## Green Successes

- Student leadership development through student council, afterschool programs, and school patrol
- High level of family engagement
- Strong community partnerships
- 50% of students participate in After School

## Green is a Community School Model

Our building is a central hub for the community. At Green we strive to provide services and programs that meet the needs of our families and community. We currently provide after school youth programming, adult enrichment classes, and access to resources such as housing, health insurance, or food assistance.

Kindergarten students enjoying learning with their classmates

## Highlights

At Green, we offer a number of programs that cater specifically to our students, families, and community. These include our Dual Development Language program (in Spanish), English as a Second Language teachers in each grade level, afterschool programming Monday through Thursday, and an organics/recycling program.

## Our School Improvement Strategies

- Quality first time instruction
- Positive school-wide engagement
- Family and community engagement
- Equity
